Workforce Solutions presents inaugural World of Work (WOW) What's Next? for high school seniors

Abilene, Texas — Workforce Solutions of West Central Texas is pleased to announce the inaugural World of Work (WOW) What's Next? event for high school seniors. This engaging, build-your-own experience will be held on Wednesday, May 2, 2018 from 9:00AM to 12:00PM at Region 14 Education Service Center - South Campus located at 4300 Treadaway in Abilene. Graduating seniors from across the 19 county region who are looking for tools and resources to equip them for "what's next" can attend this interactive and personalized event free of charge. Space is limited to the first 150 students who register!

Participating students are able build their own schedules to maximize impact and ensure the event meets their needs! Options include targeted workshops on various topics, mock job interviews with hiring managers, one-on-one consultations with Success Coaches, and time to explore resources available from community college, technical school, military, community, and employment organizations. This is an opportunity for students to gain tools to navigate the transition into adulthood, learn what is available to them, and connect with mentors to facilitate decision making.

Student registration is open NOW through Friday, April 20, 2018! For more information on the event, to view workshop descriptions, or register, visit www.workforcesystem.org/whatsnext. Questions may be directed to Lindsey Phillips, Career Consultant, at (325) 795-4327. E-mail inquiries should be sent to wow@workforcesystem.org.

The Workforce Solutions of West Central Texas Board is one of 28 boards in the state charged with oversight and policy-making responsibility for workforce and training programs in a nineteen county region. Additional information on the Board's economic development efforts or services for business customers may be obtained by calling the Workforce Board at (325) 795-4200 or by visiting the website at www.workforcesystem.org. Equal Opportunity Program. Auxiliary aids and services are available, upon request, to individuals with disabilities. Relay Svc: 711
